**Artist Statement**

"My portraits are a balance of physical form and feeling. I penetrate the character of the person and focus on the inward reflective qualities. I slip my view of the sitter between the layers of paint. I want my colours to be the colours of life, rendering likeness and personal stylisation inseparable. When doing a portrait I am not concerned with the instantaneous image of the sitter but rather a prolonged record of his or her character."

	<b>Head and Shoulders</b>	From £800	\$1128
