Bryan Ellery

Biography

Introduction

Bryan Ellery, who has degrees in Sculpture and English Literature, has been making portraits for many years. A member of the Royal Society of Portrait Sculptors, he also lectures in universities and art colleges. He lives in London and travels extensively to work on portrait commissions. His commissions have varied in age from a Russian conductor of 94 to a one year old Chinese girl. His works are in public and private collections including; Blenheim Palace, The Royal Academy of Music, Eton College Library and St Petersburg Conservatoire. He exhibits regularly in London.

Artist Statement

"Making a portrait of another human being is a great privilege for me, and it needs certain conditions. I always work from life, in a one-to-one situation with peaceful surroundings, so that my subject's natural presence can become clear to me. It is then my job to record my impressions in the clay - a synthesis of feelings and observation."

Head and Shoulders From £4000 \$5640

The Prices quoted are for the standard mediums of oil on canvas and bronze (in the case of sculpture).
For other mediums, prices may vary, please enquire directly with us for more specific quotes.
